RE: **MITCHELL, Nancy Sharon**  
WD/TN Case no. 1: 00CR10005-003  
Request for motion

Dear Mr. Powell:

On September 6, 2005, Nancy Sharon Mitchell was arrested by the U.S. Marshals Service pursuant to a warrant issued by the Honorable James D. Todd, Chief U.S. District Court Judge, charging a violation of her supervised release. At her detention hearing held on September 9, 2005, U.S. Magistrate Judge S. Thomas Anderson ordered that Ms. Mitchell be released on a personal recognizance bond pending a final revocation hearing before Judge Todd, and additionally ordered that our office conduct *daily* drug screening of this individual (excluding weekends) and report any positive testing results to the Court.

At her sentencing on July 21, 2000, Judge Todd ordered Nancy Sharon Mitchell to participate as directed in a program (outpatient and/or inpatient) approved by the Probation Officer for testing and treatment of narcotic addiction or drug or alcohol dependency. It has become a financial burden for our office to conduct *daily* drug screening of Ms. Mitchell, and additionally, results of current urine specimens will likely not be received by our office prior to her final revocation hearing scheduled on November 9, 2005. I am requesting that you file a motion to remove the bond condition of daily drug screening as ordered by Judge Anderson, citing the two reasons stated in the preceding sentence. Removal of this bond condition would not negate the original special drug screening condition of supervised release ordered by Judge Todd.

Sincerely,
